

Pete, Jesus And Me

Jack Ingram

I need to pray at the feet of Jesus
I need to talk for a while with Him
And when I pray at the cross with Jesus
Maybe He'll forgive my sins

My friend Pete he walks with Jesus
He tells me he's never alone
And he swears if I ever should join them
He'll be there to welcome me home

'Cause I need to pray at the feet of Jesus
I need to talk for a while with Him
And when I pray at the cross with Jesus
Maybe He'll forgive my sin

Yeah, Pete says please don't forsake Him
Yeah, Pete says hey man don't be afraid
Yeah, he says that Jesus has told him
He's coming to get us one day

I need to pray at the feet of Jesus
I need to talk for a while with Him
And when I pray at the cross with Jesus
Maybe He'll forgive my sin

Yeah, I need to pray at the feet of Jesus
I need to talk for a while with Him
And when I pray at the cross with Jesus
Maybe He'll forgive my sin

I need to pray at the cross with Jesus
And maybe He'll forgive my sins

Sorry
