

# Wherever You Are

Jack Ingram

This desert wind is burnin my face again  
God I'm missin you  
Been runnin blind under the broken sky  
With regrets I was sorting through  
But lesson learned  
Baby I made the turn

Wherever you are no matter how far  
Girl I'm gonna find my way to you  
Through rivers of rain  
Over mountains of pain  
Do whatever on Earth I've gotta do  
I'll follow the dream  
I'll follow my heart  
Girl I've gotta be  
Wherever you are

So many miles to where we said goodbye  
To the street of shattered dreams  
I'm praying hard that you didn't start a life  
With someone who's not me  
And if your just gone, I'll be moving on

Wherever you are no matter how far  
Girl I'm gonna find my way to you  
Through rivers of rain  
Over mountains of pain  
Do whatever on Earth I've gotta do  
I'll follow the dream  
I'll follow my heart  
Girl I've gotta be  
Wherever you are

Let the sunrise find me searchin  
Let the West Wind carry my plea  
Give this changed man one last chance  
Open your arms to me, Wherever you are

Wherever you are no matter how far  
Girl I'm gonna find my way to you  
Through rivers of rain  
Over mountains of pain  
Do whatever on Earth I've gotta do  
I'll follow the dream  
I'll follow my heart  
Girl I've gotta be  
Wherever you are,Wherever you are  
Wherever you are,Wherever you are
