G Bm Em D
(2x)

G Bm
I hope this old train breaks down
Em D
Then I could take a walk around
G Bm
And, see what there is to see
Em D
And time is just a melody

G
With all the people in the street
Bm
Walk as fast as their feet can take them
Em D
I just roll through town

G
And though my window's got a view, well
Bm
The frame Im looking through
Em D
Seems to have no concern for now, so for now

CHORUS:

G G/F#
I need this
Em D
Old train to breakdown
G G/F#
Oh please just
Em D
Let me please breakdown

G Bm Em D
(2x)

G Bm
This engine screams out loud
Em D
Centipede gonna crawl westbound
G Bm
So I don't even make a sound
Em D
It's gunna sting me when I leave this town

G
All the people in the street
Bm
That I'll never get to meet
Em D

If these tracks don't bend somehow

G

And I got no time

Bm

That I got to get to

Em

D

Where I don't need to be, so I

You don't know nothing

Bm

But you don't need to know

Em

The wisdoms in the trees

D

Not the glass windows

G

You cant stop wishing

Bm

If you don't let go

Em

But things that you find

D

And you lose, and you know

G

You keep on rolling

Bm

Put the moment on hold

Em

The frames too bright

D

So put the blinds down low
