

Buddha Too

Jack Johnson

Oh, Jesus, I love you
And I love Buddha too
Rama Krishna Guru Dev
Daodejing and Muhammad
Why do some people say
That there is just one way
To love you, God, and come to you
We are all apart of you

When prophets say they've heard
The one and only word
And every word is different
God becomes an argument
And we are left to choose
A side or to refuse
The whole thing in its humanness
Learn from each with tolerance
Alright
Alright
Alright
I love you and Buddha too

Oh, Jesus, I love you
And I love Buddha too
Rama Krishna Guru Dev
Daodejing and Muhammad
Why do some people say
That there is just one way
To love you, God, and come to you
We are all apart of you
You are unnameable
You are unknowable
All we have is metaphor
That's what time and space are for
It's the universal thought
You are and you are not
You are many, you are one
Ever ending just begun
All right
All right
All right

Oh, Jesus, I love you
And I love Buddha too
Rama Krishna Guru Dev
Daodejing and Muhammad
Why do some people say
That there is just one way
To love you, God, and come to you
We are all apart of you

All right
You are unnamable
All right
You are unknowable
All right
All we have is metaphor

I love you, and Buddha too, alright
It's the universal thought
Alright
You are and you are not
Alright
You are many, you are one
I love you, and Buddha too
You are many, you are one
Neverending, just begun, alright
I love you and Buddha too, alright
It's the universal thought, alright
I love you and Buddha too, alright
