

## New Paint

Jack Johnson

One, two

At the station, you can meet her  
With that smile, you couldn't cheat her  
Woman so kind  
Is hard to find  
It's good to take a girl  
In the not-so-very-good world  
For a walk in the park  
Until it gets dark

Well, sometimes, I feel ugly and old  
Excuse me if I'm acting too bold  
My head gets hot, but my feet are not cold  
Excuse me if you will

Take a breather on the bench  
Helps to build up the suspense  
The two of you go  
To a movie show  
If she's a woman, there's a chance  
That she maybe likes to dance  
So you go to the hall  
And you outstep 'em all

Ain't no hullabaloo, I ain't no hoi polloi  
Try any trick, I'll pull any ploy  
I'm a used-up twenty-first century boy  
Oh, excuse me if you will

She takes you home to meet the folks  
Laughing at the father's jokes  
Shall we watch TV?  
Yeah, it's all right with me  
You're gonna leave, you're gonna miss her  
In the doorway, try to kiss her  
Aw, it tastes so good  
Just like you knew it would

Oh, to be sixteen again, I'd give my eyetooth  
I'm a little uncool, I'm a little uncouth  
I'm tired and I'm hungry and I'm looking for my youth  
Oh, excuse me if you will

At the station, you can meet her  
With that smile, you couldn't cheat her  
A woman so kind  
Is hard to find
