

Live For Life

Jack Jones

Come with me my love
And seize the day
And live it
Live it slowly live it fast.
Never thinking once
About tomorrow
Till tomorrow's come and gone
And passed.
We'll pour the wine
And fill the cup of joy
And drink it
Drink as if it were the last.
Live... just live for life.

In Paree today
In Amsterdam tomorrow
Sixty minutes through the skies
Fly with me to see
The setting summer sun
And stay with me to see it rise.
We'll say to those
Who say to live this way
Is mad... then mad we'd rather be
Than wise.
Live... Just live for life.

If you let me I will lead you
To the mystery and wonder
Of a world you've never known before.
Dare the dangers to be dared
Magic places to explore
Share the places to be shared
Life is all of this and more
This and more.

Yesterday's a mem'ry
Gone for good forever
And tomorrow is a guess.
What is real is what is
Here and now
And here and now is all that we possess
So take my hand
And life will live for you
If only just a moment's happiness.
Live... just live for life
Live... just live for life
