

# DROWN

Jack Kays

You don't even know me but you say that you do  
No reason to worry, I got nothing to lose  
I know that someday I'll be fine  
I know that it's gonna take time

You don't even know what you've been putting me through  
I'm feeling so broken, I don't know what to do  
I know that someday I'll be fine  
I know that it's gonna take time

Yeah  
Can't help it, I can't help myself  
I'm falling, I'm falling to hell  
I know it's all inside my head  
I don't know what to do instead of drinking  
I keep sinking down  
I'm thinking I can't turn around  
Somebody help me, I might just drown  
I swear I felt something pull me down

You don't even know me but you say that you do  
No reason to worry, I got nothing to lose  
I know that someday I'll be fine  
I know that it's gonna take time

You don't even know what you've been putting me through  
I'm feeling so broken, I don't know what to do  
I know that someday I'll be fine  
I know that it's gonna take time
