

# Everything We Know

Jack Kays

When it's good  
I'll give it all to you  
When it hurts  
I'll take away the pain  
So you don't have to feel a thing

When it's bad  
I'll die to keep you safe  
When it's sad  
I'll dance away the rain  
When the sun gets too hot  
I can be your shade

And in the morning, I wake for you  
In the evening, I wanna hold you like they do  
When their love is true  
My love is truer  
Than the sun, the moon, than everything we know

If you leave  
I'll pray that you come back to me  
I'll be a better man, you'll see  
Give me one more chance

And I won't drink  
I'll get sober in AA  
If you sink  
I'll be the one who saves  
You  
I'll bring you back to shore

And in the morning, I wake for you  
In the evening, I wanna hold you like they do  
When their love is true  
My love is truer  
Than the sun, the moon, than everything we know

I'll catch you when you fall  
Be the one who when you call  
Always picks up  
Never gives up  
A chance to be there for you

I won't claim to know it all  
Be the first to say I'm wrong  
I won't give up  
Not on this one  
I know I'm the right man for you

And in the morning, I wake for you  
In the evening, I wanna hold you like they do  
When their love is true  
My love is truer  
Than the sun, the moon, than everything we know
