

# When It's All Over

Jack Kays

When the sky falls down  
I'll be here waiting for you  
Don't you worry now  
I'll do anything for you  
I've walked plenty miles  
I'll walk a thousand more, too  
Just to show you I adore you  
I'll be knocking on your door soon

And I don't know why  
You fell in love with me  
I failed a hundred times  
To show you what you mean to me  
I must be blind  
'Cause I can't seem to see  
The things you swear you see in me  
Without you, lost is what I'd be

La-da-da-da-da-da-da-da-da  
La-da-da-da-da-da-da-da-da  
La-da-da-da-da-da-da-da-da  
La-da-da-da-da

When the stars don't shine  
And nothing's left to eat, then  
Would you still be mine?  
Without you by my side  
I wouldn't have much time  
Can't live without you loving me  
I don't care where we're gonna be  
As long as you will always be mine

La-da-da-da-da-da-da-da-da  
La-da-da-da-da-da-da-da-da  
La-da-da-da-da-da-da-da-da  
La-da-da-da-da
