

Love Song

Jack Off Jill

Whenever I'm alone with you
You make me feel like I am home again
Whenever I'm alone with you
You make me feel like I am whole again
Whenever I'm alone with you
You make me feel like I am young again
Whenever I'm alone with you
You make me feel like I am fun again, again
However far away, I will always love you
However long I stay, I will always love you
Whatever words I say, I will always love you
I will always love you
Whenever I'm alone with you
You make me feel like I am free again
Whenever I'm alone with you
You make me feel like I am clean again, again
However far away, I will always love you
However long I stay, I will always love you
Whatever words I say, I will always love you
I will always love you
Love you
Love you
Love you
Love you...
