Underjoyed

The doctor released me a case of underjoyed No lack of nutrition something I can't avoid No mental condition maybe I'm paranoid or maybe maybe I'm just bored I'm just damn bored I'm just damn bored I'm just damn bored An old friend convinced me that he was underjoyed He never caused friction his ego he destroyed He made a decision He jumped into the void or maybe maybe he's just bored he's just damn bored he's just damn bored he's just damn bored Drown your fears in alcohol everybody spills and falls Choke on every dream you ever had Drown yourself in alcohol everybody slips and falls Choke on every dream you ever had Keep yourself in 6 degrees no one ever comforts me why should they bother When I'm alone and I'm so damn bored I am so bored I am so bored I am so NO NO NO NOW BORED I am so bored I am so bored

I'm so damned that keeps me underjoyed
