

Prayer

Jack Peñate

Go lost
Tryna to be what I'm not
Thought it'd bring me peace
Devil is a thief
(Prayer) I got caught
(Prayer) Tryna be the boss
(Prayer) I felt hate
(Prayer) Didn't recognize my face
(Prayer)

See what you see, what you see what you come for
You are who you are on your downfall
All these lives we've been
Only frees 'em when you leave

I need a little prayer (Prayer)
I need a little prayer now (Prayer now)
I need a little prayer (Prayer)
I need a little prayer now (Need a little
Prayer now)
I need a little prayer (Need a little prayer)
I need a little prayer

We take sides
Although there's nowhere left to hide
Think we know who we are
By the counting of our scars
See myself and I know, I know, I know, I know, I know
I've got to change
See myself and I know, I know, I know, I know, ooooh

I need a little prayer (Prayer)

I need a little prayer now (Prayer now)
I need a little prayer (Prayer)
I need a little prayer now (Need a little
Prayer now)
I need a little prayer (Need a little prayer)
I need a little prayer

Just realize it
I've been alive, hmm
Everything I've been
Why do you lie to me?
Why do you lie to me?
Why do you hide from me
When I need a little prayer?

I need a little prayer now (Prayer now)
I need a little prayer (Prayer)
I need a little prayer now (Prayer now)
I need a little prayer (Prayer)
I need a little prayer (Prayer now)
I need a little prayer (Prayer)
Ooh, ooh (Prayer now)

(Hold on, on hold on)

Hold onto it
(Hold on, hold on)
(Hold on, hold on)
Gotta hold on
(Hold on, hold on)
(Prayer)
I need a little prayer (Prayer now)
Prayer (Prayer)
I need a little prayer (Prayer now)
