Real Life

Jack River

I wanna take you out into the sunshine
Make it real life baby
I wanna take you out into the sunshine
Make it real life baby

I'm into you
See right through you
I'm into you
See right through you

I wanna take you out into the sunshine
Make it real life baby
I wanna take you out into the sunshine
Make it real life baby

All these people
In the sea
I don't know them
They don't know me
And now we're dancing
Don't let me down
You've heard the secret
It's over now

I'm into you
See right through you
I'm into you
See right through you

I wanna take you out into the sunshine
Make it real life baby
I wanna take you out into the sunshine
Make it real life baby

All these people
On the street
I don't know them
They don't know me
And now we're dancing
I won't let you down
You can wake up
It's over now

I'm into you
See right through you
I'm into you
See right through you

I wanna take you out into the sunshine
Make it real life baby
I wanna take you out into the sunshine
Make it real life baby

Let's walk
Let's talk
Let's
Leave it all behind

Let's walk
Let's talk
Let's
Leave it all behind

It's real life baby
It's real life baby
It's real life baby
It's real life baby

It's real life baby
Real life baby
It's real life baby
Real life baby

I wanna take you out into the sunshine
Make it real life baby
I wanna take you out into the sunshine
Make it real life baby

It's real life baby
It's real life baby
It's real life baby
It's real life baby

It's real life baby
Real life baby
It's real life baby
Real life baby
