

# Crazy Town

Jack Savoretti

Feel it drop for the first time  
melt the bones under my skin  
and i can see so clearly now  
and everything i put out comes from within  
so i follow the wind  
let it blow me away  
somethings happenin here  
n it's coming up, it's coming up  
i know you know what i mean  
it's coming up, it's coming up  
feels so good when i feel it  
an' i feel it, i feel it  
somethin's happenin' here, an' it's coming up, it's coming up.

There's a voice in my head sayin  
settle down, settle down.  
but i can't change the man i am  
and i can't escape this crazy town.  
So I'll catch the next train  
Let it take me away.  
Somethin's happenin' here, an' it's coming up, it's coming up.  
I know you know what i mean,  
it's coming up, it's coming up  
feels so good when i feel it, an' feel it, i feel it

Somethin's happenin' here, an' it's coming up, it's coming up.  
it's gonna knock me down.  
catch the next train  
Let it take me away.

Somethin's happenin' here, an' it's coming up, it's coming up.  
I know you know what i mean,  
it's coming up, it's coming up  
feels so good when i feel it, an' feel it, i feel it

Somethin's happenin' here, an' it's coming up, it's coming up.  
it's gonna knock me down.
