

Greatest Mistake

Jack Savoretti

Sitting on the edge of another day
Waiting on the sun to rise
All that I can hear are the thoughts that you're thinking

Making up with all of my enemies
Memories I don't like
I'm tired of the feeling of you're heart breaking

You were there for me, helping me get through
All my failures, my glories
I owe them all to you
You've been holding on, for the both of us
You have always been strong
When I am never strong enough

My greatest mistake, is that I never let it show
These feelings I feel, but god I hope you know
How much I love you
I'm never gonna let you go
Let you go

You picked me up when I was down
When I was lost you came and found me
You took the pieces of my heart when they had all broken apart

You were there for me, helping me get through
All my failures, my glories
I owe them all to you
You've been holding on, for the both of us
You have always been strong
When I am never strong enough

My greatest mistake, is that I never let it show
These feelings I feel, but god I hope you know
How much I love you
I'm never gonna let you go
Let you go

We've got to keep on keeping together
Just me and you
We've got keep on keeping together
If we're going to make it through

My greatest mistake, is that I never let it show
These feelings I feel, but god I hope you know
How much I love you
I'm never gonna let you go
Let you go

My greatest mistake, is that I never let it show
These feelings I feel, but god I hope you know
How much I love you
I'm never gonna let you go
Let you go
