

# Helpless

Jack Savoretti

Gotta face the music  
These things I've done  
I can't forget  
I've come to win  
But I lose it  
Now look at me;  
What you see is what you get  
You better take your heart away from me

This is my love, helplessly fading  
Doing everything I can to lose a little bit  
Of myself tonight, hopelessly waiting  
For the storm to lead me home  
'Cause I can never walk away from a fight  
All of my life, running on wild  
Trying to escape it  
This is my love, helplessly fading  
Always waiting  
Always waiting

I've come to say I'm sorry  
(So sorry)  
Far too many times to tell  
It's never like in the stories  
(Oh, I tried)  
But I could not catch you when you fell  
If you give yourself  
I'll take everything you got

This is my love, helplessly fading  
Doing everything I can to lose a little bit  
Of myself tonight, hopelessly waiting  
For the storm to lead me home  
'cuz I could never walk away from the fight

Trying to escape it  
This is my love, helplessly fading  
Always waiting  
Always waiting

(Keep waiting keep, keep waiting)  
Living in a love song, yeah  
(Keep waiting keep, keep waiting)  
Will it be the right one?  
(keep waiting keep, keep waiting)  
Living in a love song, oh oh

This is my love, helplessly fading  
Doing everything I can to lose a little bit  
Of myself tonight, hopelessly waiting  
For the storm to lead me home  
'cuz I could never walk away from the fight

Trying to escape it  
This is my love, helplessly fading  
Always waiting
