

The Hurt

Jack Savoretti

I know that your heart is kinder than mine
You know that my eyes are darker than light
The feeling gets stronger late in the night oh how I feel
You come to kill me one more time

It's the hurt that breaks your heart
It's the hurt that breaks your heart
It's the heart that breaks

Raging outside like the storm in my mind
The perfect condition for this kind of crime
I feel you get closer each time I die
You come to kill me one last time

It's the hurt that breaks your heart
It's the hurt that breaks your heart
It's the heart that breaks

It's the hurt that breaks your heart
It's the heart that breaks
It's the hurt that breaks your heart
It's the heart that breaks
It's the hurt that breaks your heart
It's the heart that breaks
It's the hurt that breaks your heart
It's the heart that breaks

It's the hurt that breaks your heart
It's the heart that breaks
It's the hurt that breaks your heart
It's the heart that breaks
It's the hurt that breaks your heart
It's the heart that breaks

Heartbreak oh heartbreak
It's the heart that breaks
Heartbreak oh heartbreak
It's the heart that breaks

It's the heart that breaks
