

Why Not

Jack Savoretti

I can show my weakness when I say I love you
I can show my madness when I say I hate you
I could never hate you

All I want is for you to do the same

You don't like to share your feelings
Or the secrets that you're keeping
I can't help but wonder, why not?
Am I lost or out of touch
You give love but not too much
And I can't help but wonder
I can't help but wonder, why not?
When you're all that I've got, hey, hey
Why not?
You're all that I've got
And I can't help but wonder, why not?

I've got to keep on moving
Why do you stay where you are?
Standing right beside me, oh
Why do you feel so far?

All I want is for you to do the same

You don't like to share your feelings
Or the secrets that you're keeping
I can't help but wonder, why not?
Am I lost or out of touch
You give love but not too much
And I can't help but wonder
I can't help but wonder, why not?
When you're all that I've got, hey, hey
Why not?
You're all that I've got
And I can't help but wonder, why not?

You don't like to share your feelings
Or the secrets that you're keeping
I can't help but wonder, why not?
Am I lost or out of touch
You give love but not too much
And I can't help but wonder
I can't help but wonder, why not?
You're all that I've got
Why not?
You're all that I've got
And I can't help but wonder, why not?
