Jack Stauber

(Ohoho)

Knock out the goldie-goldie
Actions bolder than a 6B pencil
Scribble it out, without a doubt
What are you drawing about?
Scribble it out, without a doubt
What are you drawing about?

Boyo put that paper down
And don't you make a sound
(Hububububuh, what?)
Because I've got your name (Oh no)
I'm gonna put you in the ground

6B baby
6B baby
