

Apricot

Jack Stauber

(What can you imagine?)
(I don't know)

Listen and follow
All in
Doubt
Crawler
The back of my hand

I was
Happy when I was
Bored, I was happy when I was
Bored
But all I can't afford it
Living on borders

It's all the same feel!
Take me around
Gifting all? Fine, I'll count again!
Heel, heel, heel
It's all the same feel!
Turn it down
Good giving? Fine, the gold
Heel, heel

Listen and follow
All
Round and crawl
Over of the back of my-

Grabbing hands and a-walking street
Bite the matches and clap your feet
All...
Trapped
For
Stay
Stunned
Try
For
Door
Mend
