

Oh, woah!  
Oh yeah, oh yeah

Fine  
I'll adapt to it now  
All I need to find is how  
To be bold and choose  
Something I could lose

Wow  
What can I do now  
Get close to you somehow  
And every time I try  
All you do is cry

Paint another color  
Pick my color pick my day  
Open up the door  
Open up and get away  
Paint another color  
Pick my color pick my day  
Open up the door  
Open up and get away

Paint another color  
Pick my color pick my day  
Open up the door  
Open up and get away  
Paint another color  
Pick my color pick my day  
Open up the door  
Open up and get away

Paint another color  
Pick my color pick my day  
Open up the door  
Open up and get away  
Paint another color  
Pick my color pick my day  
Open up the door  
Open up and get away
