

Coffee

Jack Stauber

Do I need it?
Mocha
Am I under control?
Can I beat it?
Wake up
If it swallowed me whole
Would I see it?
I can make you feel alive
I know, but do I need you to survive? (Ha ha ha)

Just a sip
Does it still matter which one?
Just a drip (Ahhh!)
Am I dumbfounded when I slip?
You can't believe
I can't believe
You can't believe
I can't believe
You can't believe
I can't believe this happened

Wow
French vanilla
I think I should sit this one out
No no no
Maybe a cup of self control
Would be the route
But it's the flavor
It's the flavor you want!
Maybe so
But it feels better to check than to reflect
Oh
