

Darren

Jack Stauber

Darren wasn't on his best behavior
Now we know the trouble that could come
Hair's getting grayer (grayer)
Panicking all about the crumbs he left behind

Out of sight (uh oh)
Out of mind
(Out of sight, out of mind)
Go ahead and try your luck
It catches up
But you'll be fine
(You'll be fine, you'll be fine, you'll be fine, oh!)
