

# Dinner Is Not Over

Jack Stauber

Dinner-er is not over-er  
Dinner-er is not over-er

I've tasted friendship  
I've tasted you (oh no)  
I've tasted dying  
And it tasted good

I've tasted heartbreak  
I've tasted food (oh oh)  
I've tasted dying  
And it tasted good

But that's dessert  
You can have it  
When the dinner is gone  
But that's dessert

But that's dessert  
You can have it  
When the dinner is gone  
So put it down
