

## Epoch Elliptic

Jack Stauber

Good lady, it's against my beliefs  
To say to you, "god bless you"  
But time will tell  
The same complaints

Well, we could go to out to the movies (Oh yeah?)  
And see some boys! (Oh yeah, oh yeah!)  
To the apocalyptic  
Good thoughts distance

Get it on, live your dream  
Get it on, come on, get it on  
Get it on, live your dream  
Get it on, ah  
Get it on, oh, get it on, oh
