

# It's A Sick Thing

Jack Stauber

Eh-eh-eh (Hey, watch out!) (It's charging)

Elementary makes me happy  
Our presenting of the evidence  
Of your heart  
Oh! (Aw, Jesus...)

What's wrong with you? Not in place to let you go  
I guess you'd want to say I believe it anyway  
You've got a head start, now go enjoy it  
May God forgive you, ABC, 23
