

It's Alright

Jack Stauber

Oh I
No tears, don't
It's alright
Feels weird but calm
Oh I, I'm calm

It's alright
I'm here
Everything's alright
Feels weird but calm
I wanna hear It's alright

Oh I
I'll think of something
It's alright
I'm here
Everything's alright

It's alright
I'm here
Everything's alright
Feels weird but calm
I wanna hear it's alright

I wanna hear it's alright
