

## Love Bug

Jack Stauber

You don't care, you don't tell the truth  
But when you do, love bug, crawl around my heart  
Got no faith and you're never true  
But baby when you are, love bug

Tickle in my heart  
A-but your poison is so cruel, so cruel, yeah  
Climb into my heart  
A-but you're breaking every rule, every rule, yeah
