

Milk

Jack Stauber

What kind of milk were you?
What kind of life did you live through? (Oh!)
Did you know love? Will you rest in peace?
Did you have a family?
How was the view from the shelf?
Did you ever believe in yourself?

What kind of milk were you? (Wa-wa-wa-wa-wa)
What kind of life did you live through? (Wa-wa-wa-wa-wa-wa)
Did your life drip rich with calcium?
Did they laugh at you or did you laugh with them?
Dairy beloved, your days are gone
