

## Pull

Jack Stauber

Oh no, you make me think so ha-ard  
Keep tracking my giant brain apart (Oh no)  
This story, well, it breaks my hea-art  
You like, ma-ah? Says something like...  
Ah-wrapped in love!  
It's past the weather time!  
(Internationally feeling well!)  
Where you break self down-ow-own  
True love's a mix-and-mold, a-a-ah!
