

Pumpkin Pie

Jack Stauber

Coming alive, a pumpkin pie
I reckon you and I will never energize
To be a baby is to lead and protect, to lie
To be a baby on the needs to improvise
To paralyze a common compromise
To synchronize a symptom, fortify
And end up cutlery, be dry
Suppose if someone came in your eye
Suppose if roses, improvise
Suppose if closes, telling you lies
Suppose a baby, baby lies
Suppose a baby, baby tells you lies
Suppose a baby, improvise
Suppose a baby, baby tells you lies
Suppose a baby, baby...

Come by, you're into fishnet concubine
You make me losing, hahaha
You make me losing, hahaha
Come by, you're into fishnet concubine
You make me losing, hahaha
You make me losing, hahaha
