

Step up
Wait, what?
Oh jeez, I-I don't know
Well, here goes nothing!

Some-someday out the house, take a towel
Then run to, to the house, and if you know
I'll turn up to know, oh-ah-ha
You cannot turn up, you know
Well, if you tell me, oh, tell me, good
Tell me, tell me, tell me ton-i-ight, oh, oh
They say, ooh, say no, say ooh, say my mind will change
May you bet, ooh

(In the red mix, it's all you can see on the inside)
(On, on the inside)
