

## Spring Cleaning

Jack Stauber

(Alright, I'm listening, oh, oh dear)

Oh, you don't wanna talk  
You just want a little see  
Inside my ear (inside my ear)  
So I'll have no one else to hear (hear)  
Isn't that a little in-selfish, my dear?  
You don't wanna listen  
You just wanna always sing the words I say (the words I say)  
So you can tuck them all away  
And save them for a spring cleaning day
