

## Teacup

Jack Stauber

A baby teacup with a broken handle  
Cute little nose like a burnt out candle  
Sit from the top was a lazy bandit  
That was too crazy, too crazy, I just couldn't stand it

Tonight, dancing open tonight  
It's all with me but I think I'm alright  
Dancing on, dancing on, dancing on ice  
Too late but I think I'm alright
