

# Tenderly

Jack Stauber

"Through the vicious circle, and rediscover the affection and respect they once felt for each other"

Is there something wrong with love?  
Something wrong with love?  
Is there something wrong with love?  
Something's wrong with love

And to be  
Tenderly  
Comes to me  
Easily

Is there something wrong with us?  
Something wrong with us?  
Is there something wrong with us?  
Something's wrong with us

And  
To be so  
Tenderly  
Come easier  
To me so  
Tenderly  
With me

"You're not listening!"

And  
(To be)  
To be so  
(Tenderly)  
Tenderly  
(Comes to me)  
Come easier  
(Easily, to be)  
To me so  
(Tenderly)  
Tenderly  
(Comes to me)  
With me  
(Easily)

"You're not listening!"
