

Those Eggs Aren't Dippy

Jack Stauber

Dripping eyes dissecting me
Cut my life expectancy
Have me under close inspection, let me in your ear
Stop, pout, hear me out no less
Those eggs aren't dippy and I don't want to die
I wanna be in love too
I wanna be close to you
Those eggs aren't dippy and I don't want to die
More than pulling out a tooth
I wanna be close to you
And sing a softer tune
