

Thrower

Jack Stauber

Well, tell us why you're here
(Uh, oh, oe-e-e-e-e)
Just tell us why you're here
(Mmm, eh, ee, ah!)
Just tell us your name
(Mmm, ah, mmmister, eh mmm)
Please just tell us your name
(Ah, t-ah, t-ah, t-ah, oooh, li-li-li-li!)

It's important that you listen
I've been on a mission
Climbing up a wishin'
With the 20/20 vision
Making that decision
I was about to listen
Carried for the very entity of electricity
I'ma drive in my car like I'm a movie star
Flipping pancakes in the punch bar
Shove my mom and daddy
Oh, I can throw far, oh, I can throw far

(Thrower, thrower)
(What's happening?)
(Wow!)
