

# Violins on Fire

Jack Stauber

- Little's peanuts? Me! Not you!  
Anyways, buy a switchblade, you know  
Eat some hot pretzels, go see your parents  
Tell them you're okay  
- Buy a flip switch?  
- Buy a flip switch

I taste blood  
No no, come, hey  
Go go, long break  
Go go, in the night  
Go go, away

(La la la)  
Up and down, up and down  
(Ha ha ha ha)  
Burn it down and get sound  
(La la la, ow!)  
Get the sound, get the sound  
(Ha ha ha ha)  
You can tear that tree down

Violins on fire  
Violins on fire  
(Bet you won't!)  
Violins on fire  
V-Violins on

Violins on fire  
(A doctor?!)  
Violins on fire, yeah  
(I [?] something, I'm unsure)  
(But, but, you oughta know!)  
(Oh well)

No no, my test  
Go go, heart, rest  
Go go, the answer's there  
Go go, someone's scared

(La la la)  
Up and down, up and down  
(Ha ha ha ha)  
Burn it down and get sound  
(La la la)  
Get the sound, get the sound  
(Ha ha ha ha)  
You can tear that tree down

Violins on fire  
Violins on fire  
(Get the sound, oh)  
Violins on fire  
V-Violins on

Up and down, up and down  
(La la la)

Burn it down and get sound  
(Ha ha ha ha, hoo!)  
Get the sound, get the sound  
(La la la)  
(Ha ha ha ha)  
You can tear that tree down

Violins on fire (Violins on fire)  
Violins on fire (Violins on fire)  
Violins on fire (Violins on fire)  
Violins on fire (V-Violins on)
