

# I'll Be There

Jack Wagner

I can see it when you're sleeping  
Girl, you seem so far away  
And my arms can try to keep you  
But my heart knows it's too late

So if you need your freedom more  
I won't stand in your way  
But if it's not what you're looking for  
My heart's a beat away

I'll be there  
When you need my arms around you  
If it all goes wrong  
I'll be there  
And when loneliness surrounds you  
Not matter where  
Oh, you know that I'll be there

I remember all the laughter  
As we go our separate ways  
But there's so much we're still learning  
And we just can't be afraid

There's a world outside our door  
And nothing's in our way  
But if it's not what we're looking for  
We'll meet again someday

I'll be there  
When you need my arms around you  
If it all goes wrong  
I'll be there  
And when loneliness surrounds you  
Not matter where  
And you know that I'll be there

I'll be there  
When you need my arms around you  
If it all goes wrong  
I'll be there  
And when loneliness surrounds you  
Not matter where  
Oh, you know that I'll be there
