

Make Me Believe It

Jack Wagner

Why do I feel
Like there's somethin' missin'
You say its real
You tell me I've got it wrong
Your love is strong
But I'm afraid that the feeling's died
And I'd give anything
To know that the magic is still alive

(Darlin') make me believe it
When you hold me, hold me tight
I wanna feel it
When you love me, love me right

Make me believe it
Let me know your love is true
When you do, baby
Then I think, maybe
You'll believe it, too

I could be wrong
My imagination
Could be leadin' me on
Maybe it's still there
You still care
It seems to me that if you really try
Somehow you'll find a way
To show me the feeling is still inside

Make me believe it
Let me know your love is true, girl

You say your love
Couldn't be any stronger
If it's true
Don't wait any longer
