

Soul Reason

Jack Wagner

In my wildest dreams
I never thought I'd see
The days someone would change me
You walked into my life
And now I feel so alive
I'm just not the same me

You're my soul reason
That I feel this way
Come and warm me like the sun
You're my inspiration
You're every breathe I take
You're my soul reason (you're my soul reason)
I laugh, I cry, I live, I die and I love
You're my soul reason

When I'm feelin' blue
All I have to do
Is hold you here inside me
Sometimes I wonder how
I made it up to now
Without you here beside me

You're my soul reason
That I feel this way
Come and warm me like the sun
You're my inspiration
You're every breathe I take
You're my soul reason (you're my soul reason)
I laugh, I cry, I live, I die and I love
You're my soul reason

I don't know when
A smile might cross my face
It can happen, babe, anytime anyplace
Ain't nobody like you
Ain't nobody like you

You're my soul reason
That I feel this way
Come and warm me like the sun
You're my inspiration
You're every breathe I take
You're my soul reason (you're my soul reason)
I laugh, I cry, I live, I die and I love
You're my soul reason
