Jack White

Who's with me?

Who's with me?

Who's with me?

Yeah, I'm thinking about starting a corporation

Who's with me?

Nowadays, that's how you get adulation

Who wants to start a corporation?

I'm thinking about taking it all the way to the top

Who's with me?

Woo!

Yeah, I'm thinking about doing one giant drop

Who's with me?

Yes! Yes! Yes! Yes!

Woo!

Yes, I'm thinking about

Buying all the empty cars

And making one giant army

Who's with me?

I'm gonna buy up all the empty lots and make one giant farm

Who's with me?

Woo!

Yeah, you know what I'm talking about?

Woo!

Who's with me?

Woo! Woo!

Yeah, I'm thinking about starting a corporation

Who's with me?

And take it right to the top

Take it right to the top
