

Love Is the Truth

Jack White

One thing you'll learn you can bet
Is that love is as good as it gets
And you'll get more if you give it

You can say that love's not really there
and pretend that you don't really care
but you'll do better to live it

It's the right thing to do
And you know it
It's inside of you
So just show it
Love is the truth
And it's inside of you
It's the right thing to do

In the arms of a mother and father
In the eyes of a son and a daughter
It's there if you want it
In the water that sun passes through
In the air that is all around you
It's everywhere
You just have to care

It's the right thing to do
And you know it
it's inside of you
So just show it
Love is the truth
It's inside of you
It's the right thing to do
