

# Number One With A Bullet

Jack White

If you're feeling lucky and you're ready to roll  
Maybe I can help you  
On the ceiling above you, is what's left of a soul  
You can help yourself to

I've got information  
Hanging by a thread  
So why don't you pull it?  
It's an assassination of the already dead  
Number one with a bullet  
But the reputation of a rotten apple  
Is too loud to hear now  
Now both Adam and Eve know they're naked  
So we all having something to fear now

If you lost your keys or your way  
Maybe I can help you find it  
I've been down on my knees and I pray  
For the guidance, and I don't mind it  
I can teach you the way  
So that you can try to teach yourself now  
If man can learn to fish in a day  
Then he can learn to fish himself out

I've got information  
Hanging by a thread  
So why don't you pull it?  
It's an assassination of the already dead  
Number one with a bullet  
But the reputation of a rotten apple  
Is too loud to hear now  
Now both Adam and Eve know they're naked  
So we all having something to fear now

I've got information  
Hanging by a thread  
So why don't you pull it?  
It's an assassination of the already dead  
Number one with a bullet  
But the reputation of a rotten apple
