It's time for a new bitch
To step in the game, strong arm, be a nuisance
As soon as I get a check
I don't want you at the stations with a visitor's pass
I'll flip to your collar
It makes sense, a Poe Boy'll have you flip for a dollar
That hoe strip for my partner
You know Rick Ross? Lap dance 'til his dick soft
You da Bird Man, Baby, where dat work at?
Throw dem thangs on a plane with my purse pack
Know the game, blow the thangs, where the nurse at?
Run your mouth, I'm at a mile, coward, third lap
Rims swim like a school of fish
I'm in the mood to kiss when he move his pricks
He wanna move with me, this pussy good as shit
So he scooped me a Coupe, so I could cruise the Strip

Hoe, you don't really want shit to pop off
BODG git brick, let the Glocks off
Wet Willy's where I met Willy
I politic with this, I gotta keep them checks near me
You niggas groupies really don't move me
Sold just like bubble when they carryin' a two piece
I'm all hood but lookin' like I'm Hollywood
You want problems, I'll bring it to you like Gotti would
No really, you won't feel me, like wodilly
Or Ike Hicks, y'all tunin' to the right bitch

And if you think you the shit, well it's not for long
Cause she the hottest bitch in the street

Ms. Thing of the South in Celine blouse
All see-through, I ball when I breeze through
Hold the panties, hoes can't stand me
I'm so Miami, I don't roll Camaries
Roll a L, or [?]
Choke with the trail, hoe check the fine detail
Baby girl, I get a check when they retail
It ain't shit for me to wreck me a V12
Puff purple in Beverly Hills
I'm tryin' to touch it like Puff purse, 70 mil
'Til you're Don King, you haven't done a darn thing
Standin' on the couch, pull it out, let the dime ring
Poe Boy, ties to the underground
Ducktape, hands tied, know we run the South
Mob round me, post bails, large bounties
Cocaine and hotels and car counties
