

Love Alone

Jackie Boyz

Still got your photograph, in my pocket
Reminding me of everything I wanted
Still have your t-shirt lying on my bed
Wishing I could forget all the times that we shared
Tell me how I'm supposed to deal
With the thought of you not being here
So tell me how I'm supposed to feel
Knowing what we had was so... real

And it's so hard, taking a chance
So close yet so far
Don't wanna miss a thing
And I'll keep waiting for something that I've never known
But I don't wanna be in love alone

I must admit that she really had me going
Thinking that I was the one, yeah
But I refuse to be somebody's toy
It can feel right but so wrong
So tell me how I'm suppose to deal
With the thought of you not being here
Oh tell me how I'm supposed to feel
Knowing what we had was so real

And it's so hard, taking a chance
So close yet so far
Don't wanna miss a thing
And I'll keep waiting for something that I've never known
But I don't wanna be in love alone

Tell me how I'm supposed to deal
With the thought of you not being here
So tell me how I'm supposed to feel
Knowing what we had was so real

And it's so hard, taking a chance
So close yet so far
Don't wanna miss a thing
And I'll keep waiting for something that I've never known
But I don't wanna be in love alone

And it's so hard, taking a chance
So close yet so far
Don't wanna miss a thing
And I'll keep waiting for something that I've never known
But I don't wanna be in love alone

Tell me how I'm supposed to deal
With the thought of you not being here
