

# Sunset Boulevard

Jackie Boyz

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

I hear a story about a little trip  
I took out west  
Tryna find someone to love,  
With about a hundred dollars in my pocket, ID in my wallet  
I was gon' make it work

I met a girl from the city up malabu  
Where all they do is surf and never wear shoes  
I thought I found a keeper,  
A looks can be a deciever

I spent two weeks kissing underneath the stars,  
That's wen I told me I didn't have a heart  
Wat was I to do-oh  
They say good things never last so I'm on you

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

And now I gotta walk home, walk home,  
And now I gotta walk home on sunset boulevard  
There was a Wen I met her she was as pretty as I can tell  
Who would had know she had a bf,  
And a gf wen we were fooling around  
She had me all messed up for a minute  
She was so perfect to be truth never forget it yea  
I guess I have to go back to georgia  
My love is running low in california

(Can't  
Make  
Out  
This  
Part)

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

I was on the sunset boulevard  
When she broke my heart,  
Tell me on the sunset boulevard  
When lights go dark

And now I gotta walk home, walk home  
And now I gotta walk home on sunset boulevard.
