

Buddy

Jackie DeShannon

Buddy is his name
Uh, he-he drives me a-insane
Yeah-yeah-yeah, Buddy
Oh, what a guy is he, yeah
I wanna love that baby
So much you can't see, yeah

Everyday a-he's there
With a-never a care
Yeah-yeah-yeah, Buddy
He's my heart's desire, yeah
And the way he looks at me
Sets my world on fire

Uh, well-well-well
That guy has got everything
Everything from A to Z
Well, I really hope that some day
He will want me-ee-ee-ee

Buddy is his name
He drives me a-insane
Yeah-yeah-yeah, Buddy
He's my heart's desire, well
Well, the way he looks at me
Sets my world on fire

Well, now that guy has got everything
Everything from A to Z
Well, I really hope a-that some day
He will want me-ee-ee-ee

Buddy is his name
He drives me a-insane
Yeah-yeah-yeah, Buddy
He's my heart's desire, yeah
Uh, the way he looks at me
Sets my world on fire
