

# Don't Let Go Of Me

Jackie DeShannon

Please, stay around me  
I can make you smile  
Stay around a while  
Late in the night we touch  
And I'm so free  
Don't let go of me

Arms tied around my waist  
I must confess  
You I must possess  
Thoughts I can't hide  
Close by you I must be  
Don't let go of me

We're caught wrapped in a warm embrace  
Feelings I can't erase  
Can't you hear me callin'?  
I'm fallin'

Lost sensing the coolin' chill  
Pullin' you closer still  
Can't you hear me callin'?  
Now, I know I'm fallin'

Sway, feel the dance floor  
Movin' like the sea  
Gently rockin' me  
Hold, bodies pressin' close  
So tenderly  
Don't let go of me

We turn 'round and around you glow  
Makin' the movement flow  
Can't you hear me callin'?  
I'm fallin'

You takin' me by the hand  
Dancin' in Wonderland  
Can't you hear me callin'?  
Now, I know I'm fallin'

And now love looks down to see  
If I suppress  
Tears I can't express  
Late in the night we touch  
And I'm so free  
Don't let go of me  
Don't let go of me
