

## Effervescent Blue

Jackie DeShannon

Every minute of every day  
My mind has one thing on it  
You, you and all your love  
And how can I own it?

I'm a shade of effervescent blue  
And if I can't be with you  
There's nothing I want to do  
Yeah, the love I feel for you  
Keeps me effervescent blue

Every time I want to hold you near  
You're off and running  
Running like the rainbow up so high  
You keep reaching for the sky

I'm a shade of effervescent blue  
And if I can't be with you  
There's nothing I want to do  
Yeah, the love I feel for you  
Keeps me effervescent blue

Every thing a person needs  
Can't be bought with money  
You have to give a part of yourself  
That's all I want, honey

I'm a shade of effervescent blue  
And if I can't be with you  
There's nothing I want to do  
Yeah, the love I feel for you  
Keeps me effervescent blue
